Our membership drive for the Shoreview-Einhausen Sister City Association is underway. Please join in making SESCO a success; we appreciate your support! Your contributions and participation help better international understanding and peace. As an all-volunteer organization, our **mission** is to promote friendship and international goodwill by creating opportunities for all citizens of the greater Shoreview area to experience the German culture. We are proud to have celebrated 20 years as an organization in 2023!

SESCA is a tax-exempt association and a modest member dues fee from people like you is especially important in maintaining our tax-exempt status. SESCO has been busy in 2024 continuing to promote friendship and international goodwill with German culture experiences.

Recent and future activities include:

- German art at the Minneapolis Institute of Art
- Informal gatherings at German events around the metro area such as the Bavarian Hunter and Waldmann Brewery.
- Newsletters containing interviews of Einhausen, local personalities and aspects of German culture.
- Your contributions helped support scholarship awards for students in their studies of the German language
- Programming on the current political environment in Germany
